FASHION PHOTOGRAPHY

Problem

(Catalogue Fashion Shoot)

1. Hiring a model is expensive and restrict diversity
2. Model posing and expressions
3. Location logistics
4. Time constraints & efficiency

Solution

Fashion Studio by zust.ai

- AI-Generated
- Instantly
- Works with all types of apparel, wearables & accessories
- Unlimited poses, diversity, and background settings

How it works -

Step 1. Choose a pose from list of templates

Step 2. Place the cloth approximately on the selected pose. Resize, Rotate (You could add multiple clothes in one pose)

Step 3. Write a prompt and hit Generate
